QABA Supervision Log

Trainee Name: _____ **Credential:** _____

Note: ABAT/QASP: Required to meet with his or her supervisor for 5% of the time they provide behavior analytic services every 3-month period.

QASP-S: For the first 500 hours of fieldwork, the QASP-S is required to meet with his or her supervisor for 5% of the time they provide behavior analytic services every 3-month period. Once the QASP-S has completed an addition 500 hours of fieldwork, the rate of supervision may be reduced to 2%, every 3-month period. Supervision can be done remotely, using a HIPAA compliant video conferencing program; however, one contact must be one-to-one in-person for a minimum of 1 hour.
