

Qualified Behavior Analyst (QBA®) Competencies Worksheet

270 hours of approved assessment-based coursework for QBA credential. Coursework must be from an accredited university and transcripts must be included in your enrollment application.

UNIVERSITY NAME: _____ **DATE:** _____

PERSON COMPLETING FORM: _____

Please list all the applicable course titles and course numbers to be considered for the QBA credential. Coursework must be in subject matter commensurate with the QBA Core Competencies. Make sure you upload all applicable training certificates, transcripts, or course documentation when you submitted your enrollment application.

1 semester credit = 15 hours (U.S. based. Credits may differ from country to country). For example, if you have a university course that is 3.0 credit hours, it is the same as 45 hours. One course may be used to cover multiple content areas. Please note: non-specific course titles may require course curriculum review to document all or partial credit toward the subject matter. For example, a psychology course that covered topics related to behavior analysis may be considered for some credit after review of the course curriculum; therefore, if applying these types of courses, please attach a course curriculum and/or other supporting documentation. QBA Competency standards are available on our website: qababoard.com
